World's Best Electronic Pigeon Timing System  
Package Deals Online - Limited Stock Available

**£249**

## Homing Pigeons

G2 Clock Designed for UK Fanciers

**BENZING**

A name you can trust in pigeon timing systems

Benzing have been designing racing pigeon clocks since 1863 and in this high technology world of today they are still the leader in innovative electronic pigeon timing systems. Benzing ETS clocks use the latest Hitag-S tagging chip rings and they provide one of the most competitive, reliable and secure electronic pigeon timing systems on the market today.

### The Next Generation the Express G2 Pigeon Clock

- Memory 250 Pigeons and 8 Simultaneous Races
- An Ergonomic Designed Pocket Size Clock
- Simple to Operate with Picture Icons
- Exceptional Quality and Reliability
- Excellent Value for Money
- 2 Year Product Guarantee
